 Techzone 7, Greater Noida West

Objective

Motivated and detail-oriented Front-End Developer with hands-on internship experience in modern web technologies like React.js, HTML, CSS, and JavaScript. Passionate about building responsive, user-friendly interfaces and eager to contribute to fast-paced development teams while continuing to grow as a developer.

Internship Experience

ConsultIT — Front-End Developer Intern
March 2025 – Present

- Collaborated with the development team to design and implement responsive, user-centric interfaces using React.js, HTML5, CSS3, and JavaScript.
- Built dynamic web components and reusable UI modules to improve development efficiency.
- Utilized Tailwind CSS for rapid styling and mobile-first design implementation.
- Integrated RESTful APIs to render real-time data on dashboards and user interfaces.
- Participated in Agile sprints, code reviews, and daily stand-ups to ensure timely delivery.
- Used Git and GitHub for version control and collaborative development.

Projects

To-Do Web Application (Personal Project)

- Developed a responsive task management application enabling users to add, edit, and delete daily tasks with a log of completed entries.
- Managed component state effectively to ensure real-time updates and a smooth user experience.
- Designed a clean and accessible user interface for both desktop and mobile users.

Café Management System (Team Project)

- Collaborated with a team to build a web-based system for managing stock levels, purchase rates, and automated billing operations.
- Implemented GST-inclusive bill generation and inventory management features.
- Contributed to the user interface and front-end logic to ensure seamless café operations.

Education

Master of Computer Applications (MCA)	2022 - 2024
Sanatan Dharam College of Management Studies, Muzaffarnagar, UP
